SCHOOL OF LAW

"Creating Legal Professionals To Meet The Future Challenges"

HINDUSTAN INSTITUTE OF TECHNOLOGY AND SCIENCE

HITS, a deemed to be University, is one of the most recognized and sought after institutions in Chennai, located at Tamil Nadu, India. Commenced in 1985, it offers a wide spectrum of Undergraduate, Postgraduate, Diploma, Research and Doctoral Programmes in diverse fields of Engineering, Technology, Architecture, Management, Law, Fashion, Design, Arts, Aviation, Applied Sciences and Arts & Sciences. The technical courses at UG and PG levels are approved by AICTE. HITS is a part of the most reputed Hindustan Group of Institutions which caters to the academic needs of over 18,000 students.

HITS is accredited with an "A" Grade by the National Assessment & Accreditation Council (NAAC), Govt. of India. The B.Tech. programmes offered by Aeronautical, Automobile, Civil, Computer Science and Mechanical Engineering are accredited by NBA. The Institution is categorized as No. 2 by MHRD, UGC; and is ranked 95th in India under the All-India Engineering category, by National Institutional Ranking Framework (NIRF). Other accolades include, an overall 3 Star Rating with 5 Stars score for Teaching, Employability, Innovation, Inclusiveness and Facility by QS Stars, Rated for Excellence; and GOLD rating by QS I Gauge Indian University Ratings.

As a portal of learning, HITS is aesthetically landscaped housing academic blocks, 14 Centres of Excellence for Research, state-of-the-art Workshops and Laboratories. The institution is reputed for its highly qualified and competent faculty and excellent infrastructural facilities for curricular and extracurricular activities. The learning community comprises students from several foreign countries besides those from India, thus offering a cosmopolitan campus environment. HITS has carved a niche for itself through established global collaborations with Institutes and Industries to promote Faculty & Student Exchange Programmes, Joint Research, Consultancy Projects, Conferences, and Guest Lectures. The institute focuses on preparing students for their careers through employability development activities and internships, while our Industry engagement priorities ensures close alignment with the needs of industry. With the noble vision of the Founder-Chairman, Late Dr. K.C.G. Verghese, "To Make Every Man a Success and No Man a Failure", Hindustan Institute of Technology and Science chisels its learners with competitive spirit to face the future with confidence.

MESSAGE FROM VICE-CHANCELLOR

The school of law is established with a broad concept and understanding of present legal environment and proposes to give professional and academic excellence to the students. It is conceived as a new generation institution in par with any other law schools in the country. The academic programmes and teaching methodologies are developed to enhance knowledge, skills and ethical requirements of the legal profession. The school has a competent teaching team who have demonstrated excellence in teaching and research. They also foster a friendly and community oriented atmosphere enabling the student body to advance the legal profession using a blend of conventional and contemporary methods. I encourage you to consider pursuing your law degree with us!

MESSAGE FROM DEAN

Hindustan School of Law is an institution which got approval of the Bar Council of India in 2019. We commenced with BA. LLB (Hons), BBA. LLB (Hons) and 3 year LLB courses. The Institution is in the path of growth since we have presently LLM and Ph.D courses too in our institution. The Bar Council approved Hon's Courses with Global Law School Curriculum. Our Law School has one of the well equipped Library systems with many online journals, digital information dissemination infrastructure. We also have collaboration with Suranan & Surana International Attorneys who conduct major National and International Moot Court Competitions. We are also associated with the International Law Students Association (ILSA). During the last 3 years the law school is doing a systematic academic activity and growth. With the initiation of the latest curriculum and the experienced faculty, I hope that this institution will reach its objectives. We are inspiring talented professionals to develop ourselves into a modern and developed law school.

WHY HINDUSTAN SCHOOL OF LAW?

The School of Law is a pioneering School envisaging the goal of achieving excellence in imparting legal education through exemplary teaching and learning methods.

Hindustan Institute of Technology & Science offers wide ranging courses in Engineering, Science and Technology, Management and Social Sciences. With the ever changing dynamics of legal education, the interface between technology and law forms an interesting area to explore. Law and technology are two distinct areas for discussion, and both are not connected in such a way that no discussion is complete without acknowledging the other. The future of legal profession must largely depend on the role of technology which takes to shape and enhance it.

The School encourages interdisciplinary and multi-disciplinary approaches to learning through its unique and dynamic curriculum and diverse teaching methodologies along with excellent infra-structural facilities to aid the all-round development of the students.

Emphasis on outcome based legal education to ensure students industry readiness. Conferences, Moot Courts, Debates, Quizzes, Workshops, Expert Lectures arranged for enhanced learning. Experiential learning through legal aid, legal awareness, documentation, socio-legal researches & internships.

Our Vision

To be a research oriented law school aiming to acquire excellence in teaching, research and community service in tune with the Code of Ethics of the legal profession

Our Mission

To provide every student with a conducive environment suitable to achieve his/her goal with strong emphasis on character development and offer resources to gain quality education
